## I Cantori Commissions New Compositions - Premiers

During our tenth anniversary season we will present several premiers of new choral compositions commissioned by I Cantori. These and a number of previous works first performed by I Cantori will be a part of the **I Cantori Series** of choral music published by National Music Publishers, a leading publisher of choral music in the United States.

After expenses all proceeds from ticket sales and donations go to support this project. The singers and the director donate their professional services. I Cantori welcomes your support for our ongoing project of commissioning new compositions by eminent choral composers. Significant donors can have their name included in the printed edition of the work when it is published. Any support is most welcome. For more information call 925-7866.
