Yo m'enamori d'un aire (Sephardic folk song) arr. Rogers

*I fell in love with the charms of a woman, of a very beautiful woman,
the beauty of my heart. I fell in love at night. The moonlight was
my undoing. If it had been in daylight love would not have bound me.
If I fall in love again with the charms of a woman, the beauty of my
heart, it will be by daylight with sunshine.*

Concord and Time, Each needeth each: The ripest fruit hangs where
Not one, but only two can reach.*

Had I the Heavens' Embroidered Cloths

James Mulholland

*Had I the heavens' embroiderd cloths,
Enwrought with golden and silver light,
The blue and the dim, and the dark cloths
Of night and light and the half-light,
I would spread the cloths under your feet:
But I, being poor, have only my dreams;
I have spread my dreams under your feet;
Tread softly, because you tread on my dreams.*

The Hinesville Area Arts Council relies on your donations to fund its diverse series of concerts. Your contributions make these free concerts possible. As you leave the church this afternoon please make a generous donation to the future of the HAAC.

I Cantori will match your contributions to the Arts Council with a donation to the American Red Cross to assist in hurricane relief. Your generosity will help two worthy causes.
